

# YOUR UNITED WAY BRINGS IT ALL TOGETHER

United Way has a unique model of bringing together leaders from businesses, communities, nonprofits and government to focus on getting help and referrals to people in need 365 days a year through 2-1-1. Only together can we find innovative ideas and solutions to complex issues.

## STRATEGIC PARTNERS

## LONG TERM DISASTER RECOVERY COALITIONS

In addition to partnerships 2-1-1 leads, United Way is also deeply involved with many community-wide initiatives including the Westchester and Putnam Long-term Recovery Coalitions. These coalitions meet frequently for months after a disaster and are a network of nonprofits that exchange information and resources to best serve individuals and businesses in recovery.
